Report of Principal and School Improvement Council

This has been a very successful year at Gaffney Middle School. Our theme for this school year was “Take a Look at Us Now,” and our staff members worked diligently to provide a nurturing and academically challenging learning environment for all students. Some of our notable student accomplishments include: 15 Junior Scholars, numerous district writing and art award winners, several regional science fair winners and outstanding seasons for our cheerleaders, and football, volleyball, and basketball teams. Additionally, four of our teachers received grant-funding for classroom projects in forensics and literacy.

Our struggling readers were targeted to receive additional assistance in an academic enrichment SRA reading program, and we have had definite, measurable success with this endeavor—many of these students improved their fluency and comprehensive multiple grade levels! Classroom technology integration continued to be stressed; examples include: interactive white boards and Activ Studio software, Classroom Performance System (CPS) for assessment, and the acquisition of a Brain Pop site license. Very recently, we purchased microscopes for our seventh grade students to begin to use for scientific inquiry and discovery.

Gaffney Middle also housed a Communities in Schools (CIS) after-school program, serving approximately 63 students. These students received additional assistance with homework, grade level curriculum standards, and character development.

Staff professional development focused on writing effective lesson plans, student engagement, literacy for all students, and professional learning communities (PLC). All teachers are members of grade-level PLC teams that are currently re-writing Gaffney Middle School’s Mission, Vision, and Values statements, as we focus on “what we want our students to learn, how we will know if they are learning, and what to do if they are not learning.” This is an exciting time at GMS—we hope you’ve taken a look, and that you like what you see! Thank you for your continued support!
